All LJ's after school activities are structured classes, working towards end of term performances with funky costumes and make-up for dance, or end of year productions for drama singing and movement classes. All classes are tailored to suit each year group and child. LJ's clubs are great for making friends, confidence building and of course having fun!

LJ's branches are full of excitement, confidence building and having fun. Your child is able to take BTDA Dancing and New Era Drama examinations throughout the year if they wish. LJ's come together for a yearly annual show, with performances throughout the year at school fates, carnivals, hair shows and competitions, with additional trips to see fellow friends at shows and London Theatre Trips to see the latest West End Productions.
